KONTAKT DER KONTINENTEN

Dear guest,

Your health and that of our employees is pivotal in the way we work. For that reason, we adhere closely to the guidelines and advice of the Dutch Public Health Office (RIVM) with regards to the novel corona virus. (COVID19)

Keeping in mind the motto "give each other space", we will do anything we can to let you enjoy a safe and carefree visit to our location, regardless of the situation. However, this can only be achieved when we make it a joint effort. That's why we feel obliged to ask you for your cooperation with the following:

- Please see the health check at page 2
- All guests are requested to show a coronavirus entry pass. Access to the hotel is not allowed without a coronavirus entry pass.
- A coronavirus entry pass is 24 hours valid. After 24 hours we may ask to show a coronavirus entry pass again
- Follow instructions when given by our staff and give each other space
- Use contactless payments whenever possible

We are looking forward to your visit and hope to see you soon!

With kind regards,

Staff & Management Kontakt der Kontinenten
