#### HEALTH CHECK AND CORONA ENTRY PASS

All hotel guests will receive a health check before arrival

All guests are requested to show a coronavirus entry pass upon arrival. Access to the hotel is not allowed without a coronavirus entry pass.

All guests are requested to show a coronavirus entry pass. Access to the hotel is not allowed without a coronavirus entry pass. A coronavirus entry pass is 24 hours valid. After 24 hours we may ask to show a coronavirus entry pass again. More information: <https://www.testenvoortogang.org/> and <https://coronacheck.nl/nl/>.

#### CONFERENCES

All meetings are allowed with the maximum capacity. There is no need for distancing and there is no maximum for the amount of persons.

All meeting rooms are equipped with a "hygiene station" that contains disinfectant, tissues and moist wipes.

The use of air conditioning is permitted in all areas according to the RIVM.

On busy days, we will ask groups to plan their coffeebreaks, in order to avoid queues in public areas.

## CONFERENTIEHOTEL KONTAKT DER KONTINENTEN

### OUR MEASURES FOR A SAFE AND CAREFREE STAY

#### BREAKFAST, LUNCH AND DINNER

KonneKt restaurant, bar & lounge is open daily from 07:00am. The kitchen closes at 9 PM and the bar at midnight. In good weather and with enough availability, lunch can be enjoyed on the terrace or in the garden.

On busy days we spread the number of guests by working with shifts and we may change the lunch location for conference groups. We appreciate your understanding.

#### HYGIENE

We have programmed frequent cleaning rounds throughout the hotel and we are paying close attention to the disinfection of our sanitary services as well as high-traffic contact surfaces such as door handles, elevator buttons and railings.

Upon arrival, you will encounter a disinfection station, where you are able to clean your hands. Our employees wash their hands thoroughly every half hour, as well as when they engage in a different task. Work surfaces are cleaned hourly.

All meeting rooms, public areas and hotelrooms are extra ventilated.
